Re: nytimes-se.com

Dear Ms. Beshaw,

We have received your letter demanding that we take down the web site at the address www.nytimes-se.com.

We have reviewed the attached letter to the New York Times from the Electronic Frontier Foundation responding to your claim that the site infringes your copyrights and trademarks. We agree with the letter's argument that the First Amendment and the fair use doctrine protect the site's critical speech from your infringement claims.

Accordingly, we decline to meet your demands. If you have any further concerns, please do not hesitate to contact us.

Sincerely,

Jamie McClelland
