

## Customer Testimonials

|  |  |
|--|--|
|    | <p>"Stephen is Top Notch Technically as well as always dependable. He is definitely the Go-To Guy for Solutions." October 23, 2007</p> <p>Robert Locke, Network Engineer MRU Holdings Inc.</p>   |
|    | <p>"Steve and his team work 24/7 and it shows. They have worked with me as a true partner and shown the flexibility that is needed in today's turn-on-a-dime environment. You would be hard pressed to find a better combination of value and quality in the NYC Data Center/ Co-Lo market." November 8, 2007</p> <p>Vekrum Kaushik, CEO Solutions INC</p>   |
|  | <p>"Steve and I had collaborated on a joint project between our two companies. His dedication to service and working with us to get the job done under critical time and cost pressures was exemplary. I would recommend him to any company looking for a strong partner or service provider to do their work for them." November 11, 2007</p> <p>Jeff Atkinson<br/>, Director, Business Operations – NGM, NeuStar</p> |
|  | <p>"Stephen came highly recommended and I can see why. Provided us with remote services and was clueful enough how to overcome many obstacles which left us feeling helpless at, being so far away." October 5, 2007</p> <p>Dave Freedman, Clara.Networks</p>  |
|  | <p>"Stephen is an experienced, respected and knowledgeable professional in the telecoms industry. We have been working with Stephen for a number of years now</p>  |

|                 |  |
|-----------------|--|
|                 | <p>and are extremely happy with his work, dedication and reliability. I can highly recommend him and his organization for whatever activities your own organization is looking for." October 5, 2007</p> <p>Frank Rey<br/> <i>, Manager IP Provisioning &amp; Procurement,<br/> Tiscali International Network BV</i></p> |
| Highspeed Rails | <p>"Stephen Klenert is a highly capable, experienced and personable IT consultant. We received excellent service from him and strongly recommend him for networking and datacenter work." October 18, 2007</p> <p>George Donnelly,CEO Highspeedrails.com</p>   |
